Bloody Riots at Bialystok Have  
Ceased, but Danger of Out-  
break at Other Places is  
Feared—Paper De-  
mands Dismissal  
of Premier.

(By Associated Press.)  
BIALYSTOK, via WARSAW, June  
17.—Order has been restored. The  
three delegates sent here by the  
lower house of Parliament have ar-  
rived and begun an investigation of  
the disturbance.

LONDON, June 18.—The Daily Tele-  
graph this morning prints a telegram  
received in London. It is dated Sun-  
day afternoon and is signed by M.  
Varyma and four other Jewish mem-  
bers of the Russian party, M. Brano,  
Shelov, Katzenzon and Lewing. The  
telegram says:

"The outbreak at Bialystok clearly  
was the beginning of an organized  
movement, similar to the bloody Oc-  
tober days. Only energetic inter-  
vention can prevent a general dis-  
agreement. Appeal to all influences to  
help us."

(By Associated Press.)  
ST. PETERSBURG, June 17.—The pit-  
tiable affair at Bialystok apparently  
has burned itself out. No further bloodshed  
was reported to-day and no more is ex-  
pected from the radicals, who are satis-  
fied that the authorities now in control  
will do everything possible to prevent a  
renewal of the excesses.

The opinion is based upon the action  
of the Governor of Grodno, who is hated  
and detested by the bureaucrats, and who,  
after investigating the situation at Bialy-  
stok, took the unprecedented step, in  
violation of the law, of ordering the  
army to suppress the riot. The action  
of telegraphing the authorities of  
all towns within the Jewish pale, denying  
the alleged official reports that the dis-  
orders were due to the wanton throwing  
of bombs at a Christian procession by  
Jewish revolutionaries, this measure,  
which by the Catholic clergy, who to-day  
throughout Russian Poland, addressed  
their congregations, imploring them not  
to believe reports spread broadcast for  
the purpose of stirring bloody excesses,  
was efficacious in calming the agitated  
spirits among the Christians. The  
Catholics of Warsaw, cancelled a  
great religious procession which was to  
have been held here to-day in order to  
avoid the chance of a conflict.

On Verge of Upheaval.

The general situation, however, is hour-  
ly growing more disquieting, and the  
country seems to be on the verge of  
another gigantic upheaval. In St. Pe-  
tersburg and Moscow the populace is greatly  
excited, and nothing is talked of except  
a general political strike, which would  
bring the government to its knees. The  
proletariat leaders, who have been pre-  
paring for months for a blow, believe the  
moment has come to strike. The agri-  
cultural troubles now are sufficiently ex-  
tensive, and disorders in the army are  
rife. The government has openly refused  
to accede to the demands of Parliament,  
and a rupture is imminent there.

The ultimate plans of the leaders de-  
pend upon the success of the movement  
now being brought down. It is not  
doubted that they are determined that,  
if not Parliament, shall take over the  
reins of government, and forever  
enjoy the fruits of victory.

Incipient strikes in St. Petersburg and  
Moscow, with which the movement  
started, while they are ostensibly on eco-  
nomic grounds, really are purely political.  
The committee of the unemployed is  
only a revolutionary organization in dis-  
guise, like last fall's committee of work-  
men.

The bakers of St. Petersburg and ad-  
joining towns struck to-day, and only the  
black bread eaten by the poor was sold.  
The streets were filled with crowds of  
workmen.

A correspondent of the Associated Press  
was stopped to-day in one of the sev-  
eral towns by a man, who demanded  
money without the slightest embarrass-  
ment. He announced that those who  
had money might as well divide it, as  
the workmen soon would be able to take  
what they wanted.

A monster meeting of 15,000 social  
Democrats and workmen, held this after-  
noon at Terioki, Finland, was addressed  
by several members of the "group of toll"  
of Parliament, and every revolutionary  
utterance was frantically applauded.

Czar Plays Tennis.

The government appears to be waiting  
for the blow to fall before raising its  
hand, and it is reported that the de-  
cision of several ministers to resign, and  
the more active policy during the  
cabinet meeting yesterday was apparently  
fruitless. Heavy patrols have been  
placed in the streets, and the railroad  
stations are occupied by troops, but no  
action has been taken to date.

The Emperor is reported to be  
spending most of his time playing tennis  
at Peterhof.

A general strike is expected to be in-  
augurated on the Nicholas Railroad, be-  
tween St. Petersburg and Moscow, which  
was the only line out of Moscow that  
was not affected during the uprising last  
December. The workmen in the shops  
of the Byzran and Viazma Railroad  
have already struck, but apparently the  
demonstration is premature.

The Reich to-day again appeals to the  
Emperor to try to save the situation by  
dismissal of Premier Goremykin and plac-  
ing members of Parliament, who enjoy a  
measure of public confidence, in control  
of the government.

Admiral Relief, commandant of the  
fortress at Cronstadt, has received a  
grim warning in the shape of a coffin  
which was delivered at his house.

Russians are appealing to the Emperor  
to avert a crisis by dismissing Premier

liament in control of the government.

Keene's Famous Four-Year-Old

Sheepshead Bay.

(By Associated Press.)  
NEW YORK, June 17.—James R.  
Keene's famous four-year-old colt,  
Sysonby, conceived last year to be the  
best horse in training in America, died  
to-day in his stall at the Sheepshead  
Bay race track of blood poisoning. The  
horse had been ill for a long time with  
skin disease. His ailment had neces-  
sitated his withdrawal from all of this  
year's big stakes, including the Brook-  
lyn, Suburban and Brighton handicaps,  
all of which he was the future fa-  
vorite.

STEAMER GOES ASHORE,  
BUT NOT YET IN DANGER

(By Associated Press.)  
WASHINGTON, June 17.—The Italian  
steamer Vincenzo Bonanno is a shore  
three miles east of the Fire Island light-  
house. The crew has been ordered to  
throw the cargo overboard to lighten  
the vessel. Besides the crew of thirty-  
five men there is one passenger on board.  
The Vincenzo Bonanno went ashore  
during a dense fog about 9 o'clock to-  
night. Her fog-horn was heard by the  
savers, but owing to the density of the  
fog their warnings were not seen by the  
steamer's captain.

The sea is smooth and the wind blowing  
moderately from the eastward. The ves-  
sel is lying in an easy position, but she is  
well upon the bar. She is on a sandy  
bottom, and it is believed is in no im-  
mediate danger.

BOYS CHARGED WITH  
BANK ROBBERY ARRESTED

(By Associated Press.)  
FORT WORTH, TEX., June 17.—  
Wheeler Harvey and Dave McVie, said  
to be wanted in New York on a charge  
of robbing the First National Bank of  
a large amount in cash and securities,  
were arrested here to-night by local  
detectives. Harvey was employed by the  
bank as a messenger. The boys had  
only a few hundred dollars in money, a  
couple of six-shooters and a big knife  
when arrested. They are in jail here  
awaiting advice from New York. They  
say they will return without requisition  
papers.

MIDNIGHT GATHERING TO  
PAY TRIBUTE TO PREMIER

(By Associated Press.)  
WELLINGTON, NEW ZEALAND, June  
17.—The steamer Ovestry Grange, bear-  
ing the body of Premier Seddon, who  
died on board the vessel shortly after it  
left Sydney, June 10th, for New Zealand,  
arrived here at 1 o'clock yesterday night.  
Despite the lateness of the hour, thou-  
sands of persons were at the wharf and  
witnessed the landing of the casket. To-  
day the body lay in state in the Parlia-  
ment building. The funeral will take  
place here next Thursday.

PROMINENT MERCHANT  
KILLED IN QUARREL

(By Associated Press.)  
BIRMINGHAM, ALA., June 17.—M. B.  
Chandler, a prominent merchant, was  
killed to-day by a man, who demanded  
money without the slightest embarrass-  
ment. He announced that those who  
had money might as well divide it, as  
the workmen soon would be able to take  
what they wanted.

SOUTH FLOODED; NORTH  
PARCHED BY DROUGHT

(By Associated Press.)  
PEKIN, June 17.—While the northern  
portion of the Province of Chi Li is suf-  
fering from the most severe drought  
since 1900, the southern extremity is ex-  
periencing serious floods, caused by  
heavy rains. The Hankow River, which  
was the only line out of Moscow that  
was not affected during the uprising last  
December. The workmen in the shops  
of the Byzran and Viazma Railroad  
have already struck, but apparently the  
demonstration is premature.

Cubans Surprised.

(By Associated Press.)  
HAVANA, June 17.—New York's quar-  
antine regulations against Cuba was a  
surprise to Cubans. There have been  
only two cases of yellow fever in the  
island since January—one in May, in  
Matanzas province, and another in  
June, in Havana. The former died and  
the latter recovered. At present there  
are no cases of fever and no suspects.  
It is believed the action of the New  
York authorities was due to the pes-  
simistic attitude of Dr. von Idorff, the  
United States Hospital representative at  
Havana, who all along has predicted yel-  
low fever epidemics in Cuba, and con-  
tended that Southern State quarantines  
would be ineffective so long as there was  
possibility of infection passing from  
China, which is south by way of New  
York.

ANOTHER VICTIM

MAN IS IDENTIFIED  
BY A PHOTOGRAPH

Is Said to Have Married Women  
in Many States and Then De-

Latest Victim Identi-  
fies Photo-

(Special to The Times-Dispatch.)  
ASHEVILLE, N. C., June 17.—The mys-  
terious disappearance of Miss Josephine  
Hood, one of the most popular young  
women in Asheville society, who was  
married to Mr. John C. Cavendish, in  
New Iberia, La., December 16th last, has  
assumed features sensational in the ex-  
treme. The couple left New Iberia im-  
mediately after the wedding ceremony,  
ostensibly for a trip to Mexico, in which  
country Cavendish was supposed to be  
the owner of large fruit properties. Since  
their departure no word has been received  
by Miss Hood's relatives in regard to her  
whereabouts, and all efforts to trace her  
have failed. The family of the young  
lady are now convinced that she has  
been the victim of foul play.

Identified by Photo.  
Yesterday the chief of police of Asheville  
received a letter from E. R. Hood, of  
New Iberia, a brother of Miss Josephine  
Hood, in which he states that he  
positively identifies a photograph of  
"Lord Percy Sholto Reginald Douglas,"  
alias John C. Cavendish, as the man who  
one of the most notorious bigamists in  
the country, as that of the man who  
married his sister. He claims that he  
cannot be mistaken, and, to strengthen  
his belief, he showed the photograph to  
several residents of New Iberia, who  
newly Cavendish, and who like-  
wise identified the picture, one of the  
marks of identification being a character-  
istic wart over the left eye.

This picture was taken while "Lord  
Douglas" was held in the Fort Worth,  
Texas, city prison on a charge of bigamy.  
The picture was taken by the Asheville  
police department by Mrs. B. E. A. Douglas,  
formerly Miss Anderson, of Fort Worth,  
one of "Lord Douglas's" deserted wives,  
who was anxiously trying to get a trace  
of her husband.

A Notorious Bigamist

When Chief Bernard, of Asheville,  
learned that Miss Hood had disappeared  
with a John C. Cavendish, he recalled  
the fact that "Lord Douglas," alias John  
C. Cavendish, had married and subse-  
quently deserted a woman in Hot Springs  
Ark., named Miss Jennie Frank, a woman  
in East St. Louis, Ill., and the Fort  
Worth woman, under the name of John  
C. Cavendish.

Chief Bernard, believing that Cavendish,  
the notorious bigamist, and the  
Cavendish who married Miss Josephine  
Hood, were identical, from the fact that  
both purported to be from large fruit  
properties in Mexico, immediately sent the  
photograph of "Lord Douglas," alias  
Cavendish, to Miss Hood's brother at  
New Iberia, with the result that his  
suspicions were confirmed.

Some of His Victims.

John C. Cavendish, who posed as "Lord  
Douglas," married Miss Hobbs, a beau-  
tiful young woman, residing on Fortieth  
Street, Lambert's Point, Norfolk, Va.,  
January 18, 1891. After carrying her  
thence to a continent to California, and  
across the continent to Monterey, Mexico, he  
deserted her, and left her penniless to get  
back home to Virginia as best she could.  
Before leaving, he robbed her of \$100 and  
a valuable gold watch.

While in Virginia Cavendish claimed to  
be Percy Sholto Reginald Douglas, son  
of the Marquis of Queensberry. He said  
that he had fought in the Boer War  
against Great Britain, and was then  
exiled, but expected to receive his pardon  
May 1, 1906, when he would return to  
England and take his place in the court  
of England. He accepted a position at  
Lambert's Point at a very nominal sal-  
ary.

He remained but a short time.  
Mrs. B. E. A. Douglas, the Fort Worth  
wife, stated that Douglas had also lived  
at Alexandria, Va., and had a wife and  
one child in that city.

Under the name of Lord Douglas, he  
married a woman in South Bend, Ind.,  
where he also took to Monterey, Mex.,  
and a few days after their arrival in  
that city he robbed her of \$700, tried to  
kill her with a padlock, and then fled,  
leaving her destitute. In Denver, Col.,  
he married a woman under the name of  
"Duncan," and subsequently deserted her.

Empty Engine Swept Around  
Curve and Crashed Into Party,  
Throwing Men, Women  
and Children in  
Every Di-  
rection.

(By Associated Press.)  
KNOXVILLE, TENN., June 17.—An  
empty engine on the new line of the  
Louisville and Nashville road, in Polk  
county, played havoc Sunday morning  
with a pleasure party, who were riding  
on a hand-car from their homes at Patty,  
Tenn., to a nearby town.

The hand-car, loaded with men, women  
and children, was crossing a bridge over  
the Hiwassee River, when engine No. 558,  
with Engineer C. Simpson at the throat-  
le and in charge of Conductor T. R. Kel-  
ley, swept around a curve and crashed  
into the hand-car before any of the  
party could jump to safety. As soon as  
the engine could be stopped its awful  
havoc of death was noted, for dead  
bodies and injured persons had been  
hurled in all directions. Four persons  
were instantly killed, they being S. M.  
Blankenship, Levy Womack, Mamie  
Womack and I. H. Brinkley. Sarah  
Blankenship, Jane Brinkley and John  
Womack were seriously injured.

All the victims of the accident live at  
a place in Polk county known as Patty.  
J. H. Brinkley was the only one of the  
party who was employed by the Louis-  
ville and Nashville, the others having  
been invited to accompany him on the  
fatal ride.

Details Meagre.

(By Associated Press.)  
CHATTANOOGA, TENN., June 17.—A  
special to the Times from Cleveland,  
Tenn., says that five persons were killed  
in Polk county to-day when a hand-car  
on which they were riding was run down  
by a freight train. The accident hap-  
pened on the new Tennessee branch of  
the Louisville and Nashville Railroad.  
One of the men killed was named  
Womack. Only meagre information could  
be obtained.

GIRL GETS MONEY  
FOR HER LOST HAIR

(Special to The Times-Dispatch.)  
ROCHESTER, June 17.—By the admis-  
sion of the Yawman & Erbe Company of  
this city, the hair of Miss Laura E.  
Stewart, used to possess was worth \$100  
to her. She sued for damages for the loss  
of her locks and the company has set-  
tled with her and her father for that  
amount.

Two years ago, when Miss Stewart was  
in the employ of the company, her hair  
was cut off by a man, who was employ-  
ed as a hair dresser, and her entire scalp was  
torn off. Since then she has undergone ten  
surgical operations, her hair being saved  
by the successful grafting of the skin from  
a live dog to her head. Miss Stewart and  
her father brought suit to recover dam-  
ages, she for injuries and her father for  
loss of service. Papers were filed in court  
to-day setting forth the terms of settle-  
ment.

(By Associated Press.)  
HAVANA, June 17.—The anniversary  
of the death of Maximo Gomez was cele-  
brated to-day by placing a commemora-  
tive tablet at the house in which he died.

The ceremony was held under the au-  
sices of the Department of Agriculture,  
and the officials of the Department were  
present. The ceremony was presided over  
by leaders of both parties. Many flowers  
were draped with crepe, and flags were  
half-masted.

(By Associated Press.)  
PHILADELPHIA, June 17.—In the same  
assembly-room in Musical Fund Hall,  
where, on June 17, 1856, the Republican  
party opened its first national convention  
which named Fremont and Dayton as  
its Presidential ticket, there gathered to-  
day hundreds of Republicans from dif-  
ferent sections of the country to dis-  
cuss the event. It was the open-  
ing event of the four days' celebra-  
tion of the fiftieth anniversary of the Re-  
publican party under the auspices of the  
National League which begins its an-  
nual convention here to-morrow. Among  
those who participated in the exercises  
were 250 men who had voted for Fre-  
mont for President, among whom was  
a delegate who proposed the name of  
Abraham Lincoln for Vice-President, but  
as the Illinois man was not well known,  
the nomination went to Dayton.

seven passengers on the train. All of  
them were badly shaken up and a few

CONFERENCE ON  
MEAT BILL HELD

Amendment Suggested Designed  
to Remove President's Objection  
to Court Review Provision.

SPEAKER AT WHITE HOUSE

(By Associated Press.)  
WASHINGTON, June 17.—Speaker Can-  
non spent some time at the White House  
to-night with President Roosevelt, con-  
fering on legislative matters. The Speak-  
er said he expects Congress will close up  
business and get away from Washington  
by the first of July. Regarding the meat  
inspection agitation, Mr. Cannon reiterated  
his opinion that safe and sane legisla-  
tion will be enacted.

Three hours probably will be devoted  
to-morrow to passage of bills under con-  
sideration of the House. The House de-  
cided to adjourn immediately after convening,  
out of respect to the memory of Repre-  
sentative Lester, of Georgia.

Members of the House Committee on  
Agriculture, including Representative  
Adams, of Wisconsin, together with sev-  
eral of the officials of the Department  
of Agriculture, met to-day and discussed  
various features of the amendment pre-  
pared by the committee, to which the  
President has pointed out his objection.  
There is to be a meeting of the full  
committee to-morrow. A suggested  
amendment, which Mr. Adams says en-  
joins the Department of Agriculture  
officials, and which, it is said, is  
favorably considered by the President,  
has been brought forward to eliminate  
the objections set out by the President  
to the court review proposed by the  
amendment.

Alleged Gambling  
in Richmond Club

Manager Enrouty Arrested  
Yesterday on Charge of Per-  
mitting Gambling.

Manager R. J. Enrouty, of the Rich-  
mond Club, Ninth and Broad Streets,  
was arrested yesterday, charged with  
conducting a house where gambling was  
allowed.

The warrant on which Enrouty was  
arrested was sworn out by Detective  
Sergeant T. J. McMahon. Enrouty was  
brought to the place at a State din-  
ing room, Proprietor Campbell,  
of Campbell's Hotel, going on the bond  
for \$1,000.

A man named Jordan, from Black-  
burg, Va., is said to have been the man  
who brought the place to the attention  
of the police. He is reported to have  
said he lost \$100 or \$200 in a game in the  
club Saturday night, and to get his  
money back, or revenge, informed the  
police of the situation—hence the war-  
rant. It was reported last night that  
Jordan could not now be found.

PEKIN, June 17.—Widespread and grow-  
ing dissatisfaction is manifested by Amer-  
ican and European merchants, banks and  
shipping firms against the Japanese ad-  
ministration in Manchuria. The Japanese  
occupation under the Portsmouth treaty  
will continue until next April, and in the  
meantime foreign commerce is almost  
blocked, the Japanese merchants gaining  
advantages which make it increasingly  
difficult to compete with them. Foreign  
goods entered Manchuria through Port  
Yow-Chwang, where the regular Chinese  
customs duties are levied, while the Japanese  
import through Dalian and Antung  
without duty.

No Open Door There.  
Mukden and Antung are nominally  
open to foreign trade, but foreigners are  
not permitted to go inland without Japanese  
passports, and all Japanese merchants,  
miners and promoters are allowed to  
travel the country free.

Foreign merchants complain that obsta-  
cles are placed in the way of shipping  
goods to the interior from New Chwang,  
as the Japanese control of the railway  
gives them special advantages. The details of  
Antung and Mukden at present are  
practically worthless bases for foreign  
trade, because of the difficulty in dis-  
tributing goods from these points. The  
foreign merchants are further handi-  
capped from the circulation of details of  
an amount estimated at between fifty  
and seventy million yen, which can be  
used only in Japanese trade. Large and  
flourishing settlements are located at  
Mukden, Antung and other places. Con-  
sul-General Samson visited Antung to  
arrange with the Chinese the details of  
the opening of the railways to foreign  
trade under the American treaty of 1904.  
It is believed the Chinese are stubbornly  
trying to insist on regulations similar  
to those whereby Tungtau and Antung  
were recently opened, which give China  
a greater control of foreign settlements  
than in the old treaty ports.

VICTORIA, B. C., June 17.—The steam-  
er Tartar, which arrived yesterday from  
Japan, brought further advice of the  
insurrection in Korea. At Hongku, a  
force of Japanese with artillery blew up  
the city gates and rushed the city.  
Five hundred rebels occupying that place  
were defeated and Mingchongyanki, the  
leader, was killed with many others.

The Japanese took advantage of the  
failure of the Korean troops to cope with  
the insurrection in Korea. Japanese papers  
urged the resident general not to lose  
time by making representations to Korea  
regarding the outbreak, but to dispatch  
troops without consideration of the Ko-  
rean government. This was done, and  
two companies of infantry with some  
cavalry and artillery left Seoul on May  
17th.

They arrived at Hongku three days  
later, being delayed one day by heavy  
downpours of rain and flooded rivers,  
and reinforced the two companies, which  
were already just outside the walls.

Two Routed Forty.  
Nearby villages were occupied, and  
Hongku was thoroughly invested before  
the attack on the city commenced with  
a bombardment. The insurgents replying  
with a rifle shot from the walls. The  
following morning two gates were blown  
up, and the Japanese infantry rushed  
the city with shouts of "Banzai." The  
defeat of the rebels was complete. A  
number escaped and made their way  
south to join the rebel force, which was  
much stronger at Kangkyong, where the  
Japanese settlement had been looted and  
a number of Japanese killed. The rebel-  
lion was widespread, affecting several  
provinces, and sporadic outbreaks were  
reported both north and south.

On the Yalu the Japanese timber com-  
panies had been attacked and driven  
away by Koreans with rifles, and the  
rafts that were sent down to Antung for  
the military were destroyed.

Two gendarmes with forty rebels  
fought while the rebels were eating.  
The gendarmes opened fire. The Koreans,  
armed with matchlocks, returned the fire,  
but could not cope with the two gen-  
darmes lying behind rocks with match-  
locks. The rebels finally fled, leaving  
rifles. The rebels finally fled, leaving
